*"Life itself is the great sacrament through which we are all wounded and healed.  
If we live everything, life will be faithful to us." John O'Donohue*

*All of life has the potential to deepen us if we are open to it. Experiences of loss, despair, rejection, abundance, hope, love ~ each invites our souls to an awakening into greater fullness. No matter what each woman brings to this weekend, the intention of the retreat is to **bless it all**.*

**Bon Secours** is an outstanding state of the art facility that has meeting rooms for diverse groups of various sizes. Meals are delicious and prepared fresh every day. The grounds are beautiful and offer much space for reflection and walking. Hospitality and peace are hallmarks of the atmosphere.
